

Driving Engagement and Continuation of Education for Children

Continuity of education

At EDClass, we ensure that every learner's learning journey remains uninterrupted, regardless of their circumstances. Our DfE-accredited online platform provides a flexible and supportive solution for learners facing:

- Medical Absences: Maintain academic progress and stay connected to school while recovering at home or in the hospital.
- Absenteeism: Reclaim lost learning and get back on track with personalised support and flexible pacing.
- Mental Health & Behavioural Challenges: Access a safe and supportive online space that fosters positive engagement and reduces anxiety.
- EHCPs: Receive tailored resources and individualised support to meet specific educational needs.

EDClass helps learners overcome obstacles, prevent learning loss, and achieve their full potential. We are committed to making learning not just effective, but enjoyable too. Our interactive approach fosters a deeper understanding of the material and a lifelong love of learning.

Content governing the child

EDClass is committed to creating a safe and secure online learning environment for all learners.

- **Robust Safeguarding:** We adhere to strict policies, provide regular staff training, and follow government guidelines.
- **Secure Technology:** Advanced measures protect learner data and privacy, preventing unauthorised access.
- **Age-Appropriate Content:** All content is carefully curated to be suitable for the intended age group.
- **Proactive Monitoring:** We actively monitor learner activity to identify and address any concerns.
- **Open Communication:** We maintain open lines of communication with schools and parents for transparency and collaboration.

Partner with EDClass for peace of mind knowing your learners are safe while they learn.

Access to teaching and learning

EDClass is designed to make high-quality education accessible to every learner, anytime and anywhere. Our intuitive platform and comprehensive resources create a seamless learning experience.

- **Intuitive Platform:** User-friendly interface for easy navigation, allowing learners to focus on learning without technical distractions.
- **Diverse Content:** Over 17,000+ interactive lessons, videos, and resources covering a wide range of subjects and levels.
- **On-Demand Learning:** Learners can access lessons and support whenever it suits their schedule, promoting independent learning.
- **Live Teacher Support:** UK-qualified teachers are available for live support and provide personal and academic assistance.

Engagement and interaction

EDClass prioritises learner engagement through interactive learning experiences. Our platform fosters active participation and a love of learning through:

- **Interactive Lessons:** Multimedia-rich lessons with quizzes, games, and simulations keep learners engaged and actively involved in the learning process.
- **Personalised Feedback:** Instant feedback and progress tracking help learners stay motivated and understand their strengths and areas for improvement.
- **Collaborative Learning:** Opportunities for online discussions and group projects encourage peer-to-peer learning and teamwork.
- **Regular Monitoring:** EDClass's dedicated teaching and safeguarding team actively monitors live camera screens during lessons to ensure a safe and focused learning environment for all learners.
